

Fact Sheet

digital presentation for the jury session

technical specifications

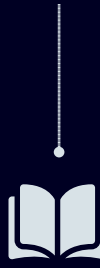

Film

MPEG4, AVI, MOV,
max. 120 seconds

PDF

max. 15 pages

Image

JPEG, max. 5 images

maximum file size: 50 MB
ZIP compression

The file is uploaded once the project has been registered on »My Design Council« (mydesigncouncil.gdc.de), our registration portal for participation in German Design Council competitions. All files must be clearly identified with the project ID allocated at the time of submission.

You may also fill in the form »Your innovation at a glance« in order to present your submission to the jury in the best possible light. You will receive this form along with the confirmation of your registration.
